**rates you can afford.** New and creative ideas are coming out of the Insurance industry on how to help everyone manage through the financial impact of the COVID-19 health crisis.

**Premium refunds** – Safeco Insurance and other insurance companies have just announced a voluntary plan to refund 15% of the annual personal auto insurance premiums paid by policyholders representing about two months of premium.

**Payment flexibility options** – To help policyholders experiencing reduced incomes, many insurance companies have temporarily extended payment due dates and paused cancellations due to non-payment for personal auto and home insurance customers. Extensions are automatic. No approval is needed.

**Temporary Policy changes** – Consider ideas to reduce premium temporarily on your auto insurance policy. Things you might consider are: Verify all discounts, vehicle lay-up on vehicles not in use, removing physical damage on older vehicles, and other ideas if appropriate.

**Get quotes** – With just one request we can compare rates of up to 7 top insurance companies to find you the best rates and coverage.
